Specialized Care of the Young Athlete: Pediatric Sports-Related Concussion

Friday, May 18, 2012
As a result of attending this conference, participants should be able to:

• define sports-related concussion
• list the most common symptoms of sports-related concussion
• determine who needs imaging and what imaging is appropriate
• develop a standardized approach to on-field management to in-office treatment of sports-related concussion in youth athletes based on current available evidence
• list and define Arizona concussion policies and laws as they pertain to medical providers

Continuing Medical Education Credit

Phoenix Children’s Hospital is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide Continuing Medical Education for physicians.

Phoenix Children’s Hospital designates this educational activity for a maximum of 4.25 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Physical Therapy Continuing Education

This course has been approved by the AzPTA for 0.425 CEU or 4.25 contact hours of continuing competence credit (12-0119) continuing competence contact hours. AzPTA-approved courses are ‘Category A’ courses pursuant to Arizona Administrative Code R4-24-402. Arizona licensed physical therapists are urged to review this section of the Code prior to commitment to this or any course to meet their continuing competence requirements.

Athletic Trainers Continuing Education

Phoenix Children’s Hospital has been approved by the Board of Certification, Inc. to offer Continuing education for Certified Athletic Trainers. This program has been approved for a maximum of 4.25 hours of Category A continuing education. Certified Athletic Trainers are responsible for claiming only those hours actually spent participating in the continuing education activity.
